

Twisden Road

Features

This delightful property enjoys bright open living space with Oak flooring throughout the ground floor and features an elegant reception room which opens on to a stylish bespoke kitchen finished in Brazillian Blue Quartzite and leads to dining area which overlooks a very pretty garden. The first floor is currently arranged as a graciously proportioned dual aspect double reception room and could easily be re-instated to create two bedrooms. There are three further bedrooms arranged over the upper floors and a luxurious bathroom finished in Azurite Granite. The property also features a 'suntrap' roof terrace with lovely views over surrounding gardens. This unique home is located within the Dartmouth Park Conservation Area close to an excellent selection of local shops and convenient transport links at Kentish Town & Tufnell Park. Charming independent shops, popular cafes and restaurants and also available at nearby Swains Lane.
